

## *Paul Daurio*

Producer

The Wizarding World of Harry Potter

*Paul is a twenty year Theme Park veteran and was the Producer for The Wizarding World of Harry Potter for Universal Creative overseeing the creative development of the project as well as acting as the key liaison with Universal Orlando's IP partner, Warner Bros., the Harry Potter Filmmakers and The Chris Little Literary Agency (JK Rowling's agent).*

*Paul carried the creative torch, ensuring the faithful delivery of JK Rowling's storytelling, from Universal's amazingly experiential and photo realistic recreation of the breathtaking scenery and memorable experiences from the books and the films, to the authentic food, beverages and products that have guests lining up to experience at The Wizarding World of Harry Potter.*

*Paul's past Universal projects include, Jurassic Park Hollywood, Universal Studios Japan and the conceptual development of Universal Studios Shanghai. Paul got his start in theme parks at Walt Disney Imagineering working on projects across their world wide portfolio and then went on to Disney Regional Entertainment, pioneering the ESPN ZONE, Club Disney and Disney Quest concepts.*

*In between theme parks gigs, Paul has also been active in the development of highly themed destination resorts such as The Beaver Creek Lodge, and The Mansion on Forsyth Park for the Kessler Collection and two design award winning condo hotels, The Blue Rose Resort in Orlando and The Savoy Hotel in Historic South Beach Miami.*
