

## *Donald J. Weber, A.I.A.*

Principal  
The Weber Group

*Mr. Weber is a Registered Architect with 37 years experience in Architecture and Construction. After graduating with Honors from the University of Kentucky College of Architecture in 1973, Mr. Weber has since owned and operated both an architectural firm and construction company, providing these services for a wide variety of building and construction types.*

*Mr. Weber became involved in the Theme Park and Water Park industries in 1990, providing both design and construction services for the expansion at Kentucky Kingdom in Louisville, Kentucky. That work included the design and construction of Hurricane Bay Water Park, which won an IAAPA Golden Wave Award for excellence in design and execution.*

*Weber Group, Inc. now works industry wide in branded and themed entertainments and resort projects, zoos, and museums. A full fabrication facility serves designers and clients worldwide. Past and present clients include Six Flags, Nickelodeon, Paramount, Cedar Fair, Columbus Zoo, Los Angeles Zoo, and the Philadelphia Academy of Natural Sciences.*
